PROSPETTO EST_Via XV Maggio

Architectural elevation drawing of the eastern facade of the Church of Santa Vittoria. The drawing shows a portico with four columns supporting a triangular pediment. Above the pediment is an inscription: "DEO OPTIMO MAXIMO IN HONOREM B. VICTORIAE V. M. DICATUM". To the right of the portico is a bell tower with three arched openings. The drawing is a line drawing with some shading to indicate depth.

FOTOGRAMMETRIA PROSPETTO SUD

Photogrammetry image of the southern elevation of the Church of Santa Vittoria. The image shows the building's facade and roof. The facade is made of brick and has a central entrance with a small porch. The roof is made of terracotta tiles. The image is a color photograph with a white background.

PROSPETTO SUD

Architectural elevation drawing of the southern facade of the Church of Santa Vittoria. The drawing shows the building's profile, including the roof and the bell tower. The drawing is a line drawing with some shading to indicate depth.

PROSPETTO NORD_Via S. Vittoria

Architectural elevation drawing of the northern facade of the Church of Santa Vittoria. The drawing shows the building's profile, including the roof and the bell tower. The drawing is a line drawing with some shading to indicate depth.

FOTOGRAMMETRIA PROSPETTO PRINCIPALE

Photogrammetry image of the principal elevation of the Church of Santa Vittoria. The image shows the front facade of the church, including the portico and the bell tower. The image is a color photograph with a white background.

FOTOGRAMMETRIA PROSPETTO RETRO

Photogrammetry image of the rear elevation of the Church of Santa Vittoria. The image shows the back of the building, including the roof and the bell tower. The image is a color photograph with a white background.
